

PROCEEDINGS OF THE JOINT PLAN COMMISSION AND
COMMON COUNCIL MEETING
CITY OF WEYAUWEGA
MONDAY, MARCH 20, 2023

The joint Plan Commission and Common Council meeting of the City of Weyauwega was called to order at 6:30 p.m., on Monday, March 20, 2023 in the Weyauwega Municipal Building Council Chambers by Mayor Jack Spierings.

Roll Call: Present for City Council - Mayor Jack Spierings, Tim Litscher, Bruce Goetsch, Rich Luedke, and Kaley DuCoeur. Present for Plan Commission – Don Morgan, Bob Anibas and Andy Rosenwinkel. Chris Gunderson arrived at 6:13 pm. Also present: City Administrator Jeremy Schroeder, City Clerk Rebecca Loehrke, James Card, Richard Rupno and Dan Domrzalski.

Motion Morgan, second Anibas, to approve the minutes of the November 15, 2022 Plan Commission Meeting. Motion carried with all “ayes”.

Citizen Appearances: None

Updating of the Comprehensive Plan: The Comprehensive Plan was last done in 2007 and has not been updated for a long time. Members went over areas in the City that have seen growth and development and areas that have lacked on. Consensus of the group is to look forward and not point out what wasn’t done in the past. The best place to start would be to set goals and then build from there. It was brought up that a professional service may need to be used. The original plan in 2007 was done by Foth, the city engineering company at that time and is over 200 pages. Members would like to have Schroeder reach out to our current engineering company, McMahon, get from them a scope of the project with associated costs. The next meeting will be a joint meeting with Plan Commission and Council with McMahon.

Motion Goetsch, second Litscher, to adjourn at 7:23 pm. Motion carried with five “ayes”, zero “nays”.
