Motion Anibas, second Binley, to approve the minutes from the Plan Commission Meeting on January 29, 2024. Motion carried with all "ayes."

Citizen Appearances: None

Working session to review draft comprehensive plan and identify revisions prior to public participation: Commission members went over the typos and errors that need to be corrected in the draft comprehensive plan. Need to put in the City's Mission Statement. Change out some of the pictures that are not from the area. Fix some of the titles. Commission would like to keep in all of the housing definitions because with land annexation to the city all options would be available in the future. The Commission has a few questions in regards to the future land use map that they would like to discuss with Jeff Sanders.

Such other matters as authorized by law: None

Would like Mr. Sanders available at the next meeting to go over a few questions before finalizing the final draft for the public participation meeting. Will check with Mr. Sander's availability and then schedule in March.

Motion Gunderson, second Binley, to adjourn at 7:04 pm. Motion carried with all "ayes".

Recommendations to Council: None
